COMPREHENSIVE PLAN SPECIFICATIONS: The Comprehensive Plan specifies this area as Urban residential.

ANALYSIS:

1. This amendment is to allow an existing covered patio to be enclosed.
2. This amendment could not be approved administratively because when a patio is enclosed it becomes part of the main structure. The main structure cannot encroach into the setback.
3. The rear yard setback in the R-3 District is 30' or 20% of the lot depth, whichever is smaller. The approved site plan identifies a 30' setback.

4. The existing building envelope for the patio is 15' x 30'. This amendment would not allow an increase in the patio building envelope.
5. This amendment would decrease the established setback by 15' at the patio area only.
6. The Holmes Haven Condominium Association is in support of this application.

CONDITIONS:

Site Specific:

1. After the applicant completes the following instructions and submits the documents and plans to the Planning Department office and the plans are found to be acceptable, the application will be scheduled on the City Council's agenda:

- 1.1 Revise the site plan to delete "or enclosed patio" from Unit #10.
2. This approval permits an existing patio at 2411 South 60th Street to be enclosed within the construction limits as identified on the site plan.

3. Before receiving building permits:
 - 3.1 The permittee shall have submitted a final plan including 5 copies and the plans are acceptable.

4. The following conditions are applicable to all requests:

- 4.3 The site plan accompanying this permit shall be the basis for all interpretations of setbacks, yards, locations of buildings, location of parking and circulation elements, and similar matters.
 - 4.4 This resolution's terms, conditions, and requirements bind and obligate the permittee, its successors and assigns.
 - 4.5 The applicant shall sign and return the letter of acceptance to the City Clerk within 30 days following the approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment.
